Man has a remarkable power, the power of conscious thought. However, no matter how great his intellectual gains, he has also sought another means of communication--a media not for transferal of knowledge, rather one that strives to unite the composer and his audience as one. This media is known as Art, and probably the earliest form of Art was discovered when Man learned that he could make sounds that were pleasing to the ear by hitting hollow tree trunks or by blowing through reeds. From these crude beginnings he has developed fine instruments which give a certain tone color which best helps the composer relate a story or mood. Obviously, the composer must rely on the individual conductors of bands and orchestras to interpret them correctly.

The 1965 CREST staff proudly dedicates this yearbook to a man we feel has done an outstanding job as a conductor, Mr. Max Plavnick. Mr. Plavnick has given this school district twenty-seven years of service--years of determination to instill within everyone with whom he comes in contact a deep regard for Music. His remarkable talent has inspired many of his students and friends in the community, and we would like to congratulate him on a job well done. Thank you, Mr. Plavnick.

*We Proudly  
Dedicate the  
to Mr. Max*

## Principals

Young, dynamic Dr. Ludwig completed his first year as principal of McCluer. It was his third year at the high school, the previous two being spent as assistant principal. Energetic and popular, the young principal moved fast to institute new programs and practices. Among the most significant innovations were an Advisory program to provide extra opportunities for students to receive counselling, and a team teaching program in American History, Typing, and Speech.

Sandy Loesing, during her attendance at McCluer has been one of the most active members of the student body. She has been in Pep Club since her sophomore year, serving as a member, and this year, as secretary. As a junior, she has worked on the Prom Decorating Committee and the School Spirit Committee. This year she is a Student Council representative, a member of the School Spirit Committee, and as a member of the Senior Committee. This year she is also one of the girls in the Pom Pom Corps. Even though spending much time on extra activities, she has maintained a high scholastic average and was named to the National Honor Society.

On February 12th, the entire senior class chose nine of the most talented and deserving senior girls to compete for the coveted title of Crest Queen. The lucky girl, Sandy Loesing, reigned at the annual Crest Coronation Saturday, February 27.

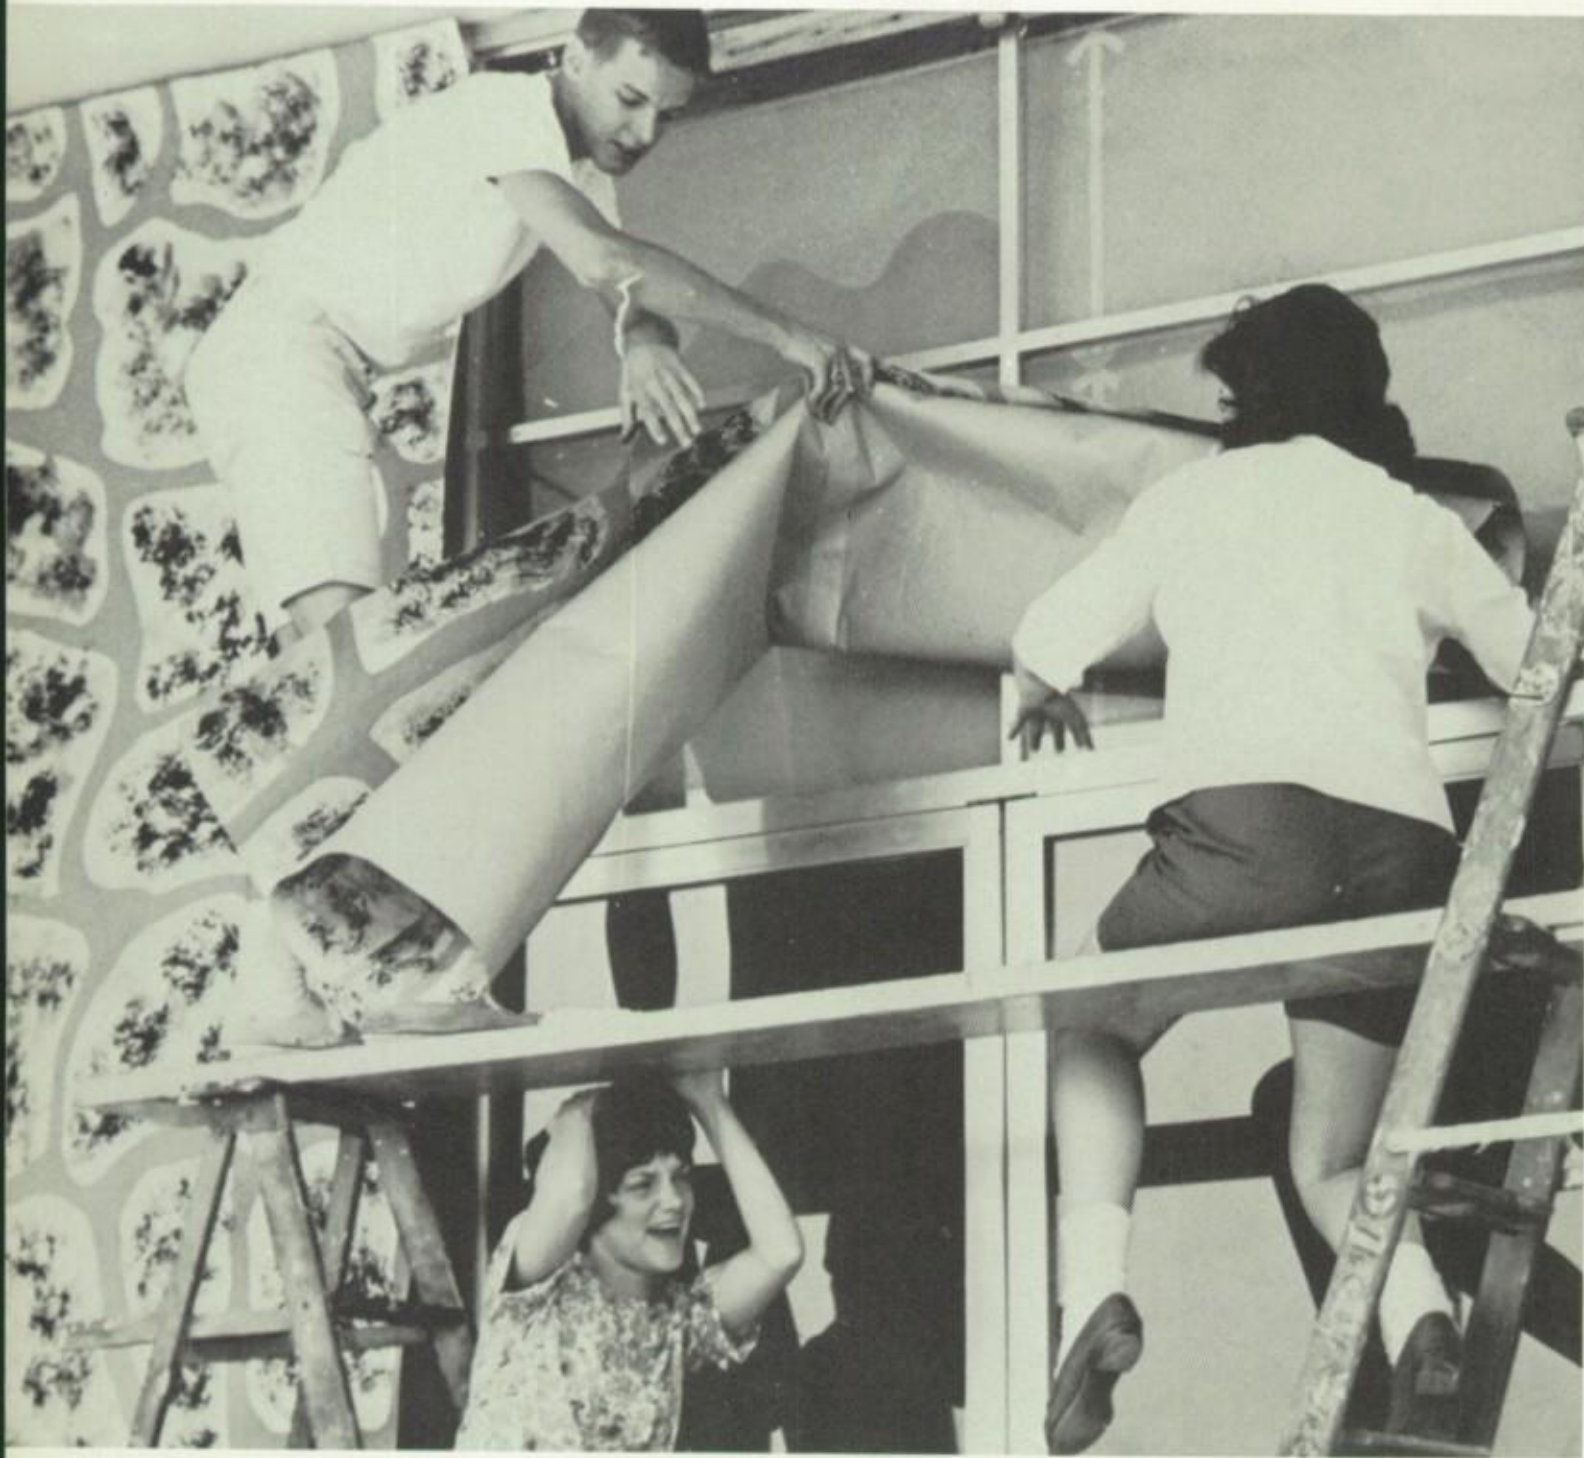

In order to run for Crest maid, the girls had to have at least a "B" average and must have participated in at least six extra-curricular activities throughout high school.

The honor of being a member of the Crest Court is not one to be taken lightly. Crest Coronations began in 1935 with each subscriber of the yearbook being entitled to a vote for the Crest Court. This was at the old Vogt High School. In later years at Ferguson High the senior boys chose the maids and each maid chose her escort.

Sandy was selected by the entire student body Tuesday, February 23.

Nine McCluer runners went to State at Columbia on October 31. This year's sophomore team has provided a real base for future McCluer teams to do even better.

## *Twenty-Eight Elected to Represent*

L. Cunningham, Sec., T. Pogue, Chairman, Mr. Sweet and Miss Muckerman, Sponsors.

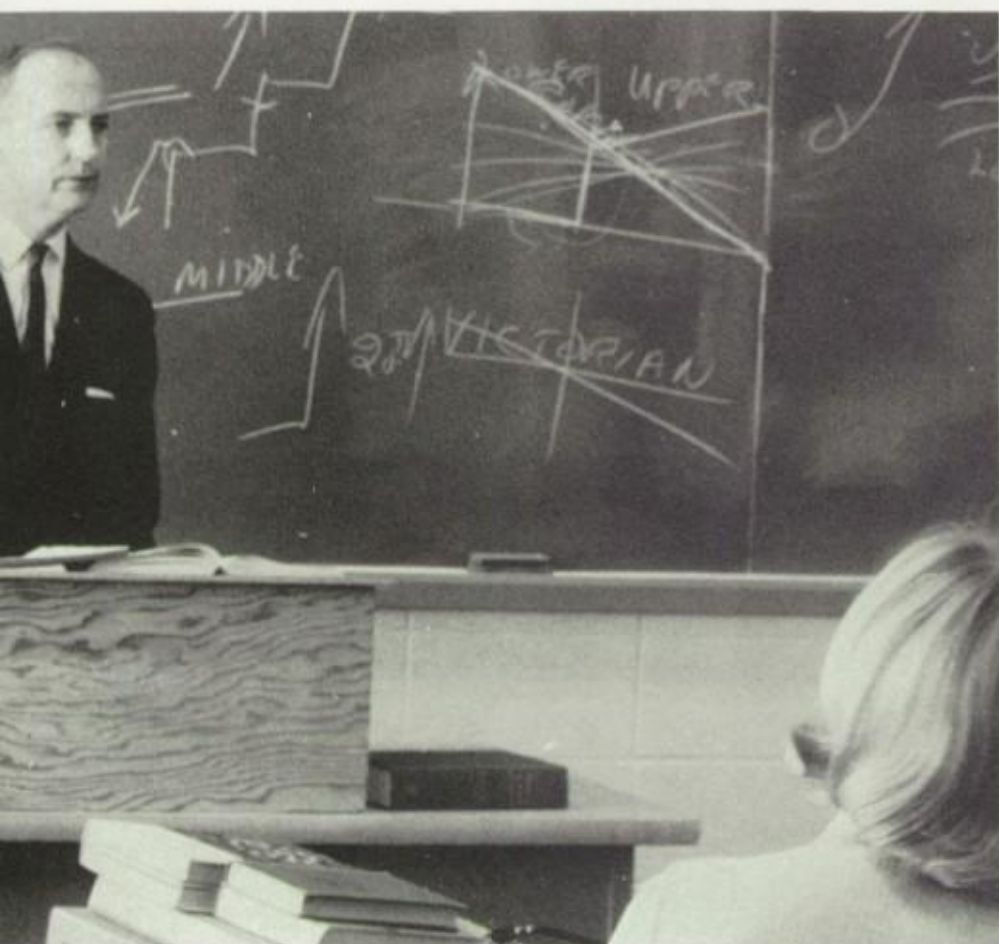

Twenty-eight juniors were elected to Junior Committee this year to serve as representatives of their class to make certain selections concerning the choice of rings, to handle preparations for the Junior-Senior Prom, and to handle any questions and problems which might arise during the year.

A very successful Hoot-En-Shindig was held by the Committee in an attempt to raise money for the Junior-Senior Prom. Students and parents enjoyed the singing and playing of performing groups. At this time other money raising activities were being considered.

## *the Junior Class*

This is Mr. Kenneth Westerlund talking to Junior Committee about school rings.

Students mill through the M-3 lobby.

The Senior Committee is a representative group of twenty-eight seniors. Elected at large by the senior class the committee carries out three specific functions during their senior year.

First, select the class gift to the school. WITHIN the limits of acceptance by the administration, the committee can use the money available for an appropriate gift to the school.

Second, plan and help carry out the activities of "Senior Day." This day includes the rehearsal of the graduation exercise, issue of caps and gowns, special senior lunch hour, and an afternoon social-dance.

Third, help to carry out plans and preparations for graduation exercises. This includes helping to prepare marching order, arranging of diplomas, and the chairman and secretary actually helping with the issue of diplomas at the graduation exercises.

# *"Thank You" from*

AYSE HAMIT

This past school year that I have been with you has been a wonderful year for me. I learned to understand the American school system and the way of life. American Field Service Program can be possible by your working and the help of the community. I hope you will always continue to get students from foreign countries, and to send students abroad.

During my year with Bouas family I learned that even in another country, I could find a family to give my love as well as my own family.

This year at McCluer has given me a great deal of learning and understanding. I am not going to forget this school year and my new friends.

I would like to say thank you for helping me to come here and for everything you have done for me.

Ayse works hard at her typing.

Ayse and her American family, the Bouas'.

## JUDY JOHNS

I would like to take this opportunity to say a big "Thank you" to the student body of McCluer for making my trip to Brazil possible. Only through your hard work and the generosity of both the students and the community as a whole can the American Field Service foreign exchange program flourish.

During my summer with the Mario Longhi family in Tatui, Brazil, I gained a great deal of understanding of our Latin American neighbors. I learned that the people are basically the same there as here in the United States, and that the barriers of language and custom can be broken down through our own efforts. The AFS program is a tremendous way to attain peace through international understanding. I hope that McCluer will always continue its fine work to make A.F.S. grow and prosper.

## *Golf Team*

ROW ONE: Bill Bridgeforth, Greg Padjett. ROW TWO: Mr. Wetzels, Dennis Chester, Herb Kranze, John Tyson.

With their record of 6-6-1, our golf team did very well this year, even better than their record shows. With their captain Dave Ruth leading them on, they broke many records. They broke the school record at Northshore by shooting a record 228 strokes. Dennis Chester had a 37, Dave Ruth a 38, Larry Povis a 38, Mike Helcum a 38, Joe Perry a 38, and Jim Bridgeforth a 39.

They also set a new district record for our school by shooting a 299. For the first time in the history of McCluer the first four men averaged under 40. Dave Ruth averaged 38.2, Greg Padjett 39.5, Joe Perry and Larry Povis 39.7.

McCluer ended up 12th in state with Dave Ruth shooting a 118 for 27 holes. Altogether 7 men lettered this year, and we played at Northshore, which was our home course, and St. Charles, and Normandy.

Mark Evers, 1964-65 honorary GAA member, is congratulated by Larry Stein and Jimmy Mueller past members.

"McCluer Goes Western" was the theme of the annual GAA Dance. Many unique corsages following the western theme were displayed. Decorations consisted of everything from spurs to ten-gallon hats suspended from the ceiling. Cookies and punch were served as refreshments. The highlight of the evening came when the honorary GAA member was pulled in on a covered wagon. When the wagon was uncovered Mark Evers was revealed.

McCluer students dance to the lovely strains of Jerry Jay and the Sheritons as the night progresses.

## *Mark Evers Honorary G.A.A. Member*

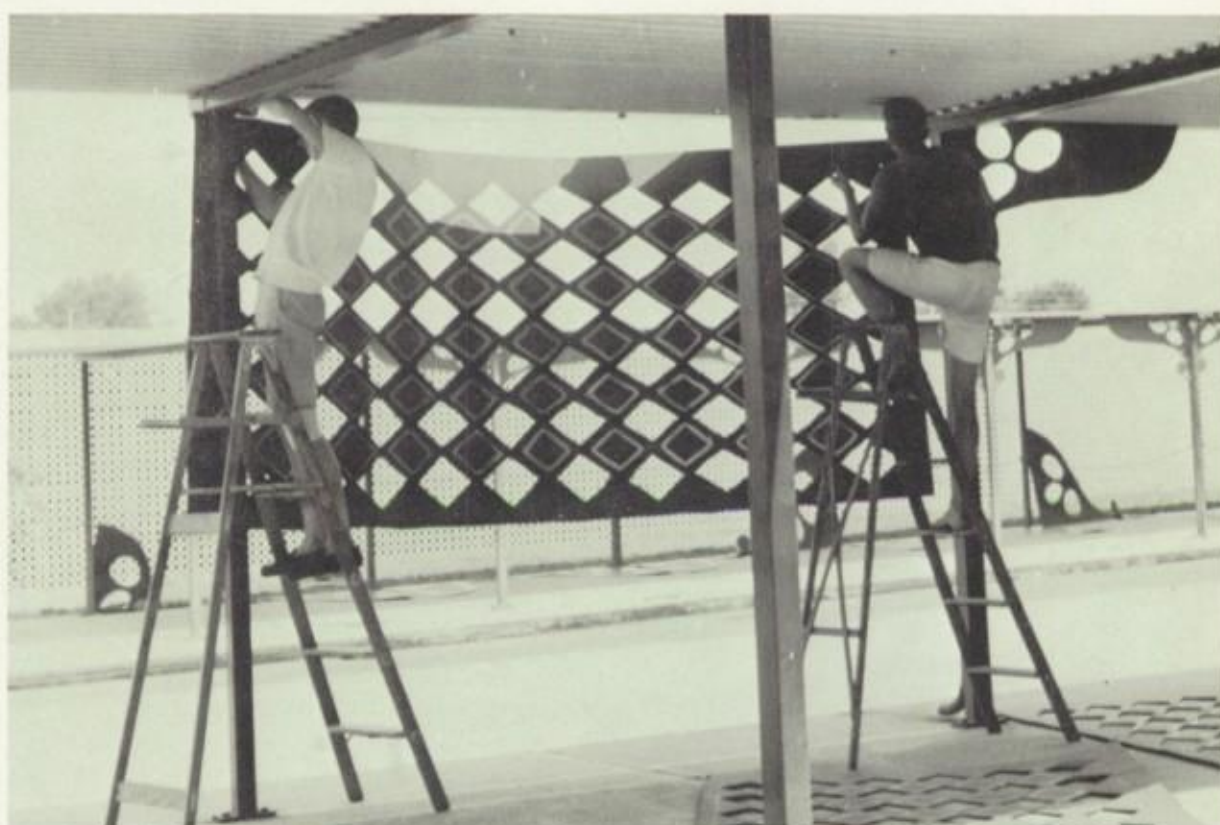

An enjoyable evening in the atmosphere of the old West was had by all.

We would like to take this opportunity to thank once again the members of the junior committee, with special appreciation to Terry Pogue, for a truly great prom. The attendance, over 600, was a definite testimony of the prom's success.
